

# PDF File sample

Provide your publication as a single PDF file with the following settings:

- All pages in a single PDF file, with the pages in order;
- Pdf version 1.3, 1.4, 1.5
- Single pages (not double page spreads), images are recommended in 150 DPI (or greater);
- Cropped to exact art size (no need for cropmarks/bleed etc, as it is not a traditional print process);
- Embedded fonts (not subset, please avoid CID Type H encoded fonts);
- If you want to test some pages use the online [demo page](#) (max 2MB.);
